# About Simpliaxis

Simpliaxis excels in delivering personalized corporate training solutions that cater to enterprise teams seeking to enhance their employees' job-specific skills. Our comprehensive programs, offered live virtual instruction-based training sessions, are led by certified trainers specializing in refining your learning journey. This empowers your teams to not only meet industry standards but surpass them.

We prioritize a hands-on approach that involves tool-based learning, guided instruction, progress tracking, and precise grading. Our strength lies in tailoring the curriculum to align with your team's and company's requirements. With a diverse pool of consultants boasting cross-industry experience, we offer versatile learning options, including online, offline, and self-paced formats.

The SAFe® 6.0 Scrum Master (SSM®) Certification Training is genuinely unique in its certification approach. As a Gold Partner of Scaled Agile, Inc., we provide a premier preparation experience. Attain 16 PDUs and SEUs, glean knowledge from accredited mentors, and enjoy a year of access to the SSM® Community of Practice. Our comprehensive training regimen effectively readies you for the SAFe® Scrum Master exam, resulting in the prestigious SAFe® SSM certificate.
