PRINCE2® Foundation Certification Course Overview

Simpliaxis offers a PRINCE2® certification course that empowers you to excel as a senior project manager in a PRINCE2® environment. This globally renowned certification is recognized in both private and public sectors and equips you with the skills needed to manage projects with accuracy and finesse.

In this course, you'll become proficient in various crucial aspects of project management, such as effective communication between management and stakeholders, controlled project initiation and closure, regular project status reviews, and breaking down projects into manageable phases.

PRINCE2® is universally applicable, making it adaptable to various industries, project methodologies, and sizes. With PRINCE2® certification, you'll enhance your employability in the competitive Canadian job market and advance your career to new heights.

Key Features

- **Training from Professional Expert Training Leaders**
- **Exclusive Course Curriculum**
- **Earn 35 PDUs**
- **Lifetime access to the Course materials**
- **Course based on latest PRINCE2® 7th Edition**
- **Receive an official digital ebook from PeopleCert**
- **24/7 Career Support**

Prerequisites

To be eligible to apply for the PRINCE2 7th Practitioner examination, learners must possess either an undergraduate degree or a high school diploma. Additionally, they must have completed and passed the PRINCE2 7th Foundation Exam. If a learner is already certified in the PRINCE2 7th Foundation and wishes to upgrade to the new version, they may take the PRINCE2 7th Practitioner exam directly. However, we recommend starting with the PRINCE2 7th Foundation training as there are changes in terminologies and the addition of new material.
